Re: Roseland Produce

Hello,

Roseland Produce has been a supplier of ours since 2005, through the years they have provided us quality produce and fantastic customer service "10 star, all the way".

They supply both our locations and we are pleased with how they go above and beyond!

We would highly recommend using Roseland Produce.

Re: Roseland Produce

To whom it may concern,

We have been a customer of Roseland Produce since December of 2005.

We have remained a customer because of their attentiveness and their take action service.

Being a retirement home, service and quality is important to us, Roseland provides us with what we need.

We've appreciated their help and attentiveness.

Sincerely,

Brian
